THE OLP DIFFERENCE

OUR SCHOOL

The Academy of Our Lady of Peace has been educating young women for **135 YEARS** in the tradition of the **Sisters of St. Joseph of Carondelet**

Our Campus
Our historic campus was built in the early 1920s and features a library, event center, theater & amphitheater, weight & conditioning rooms, athletic facilities, dance studio, engineering and zSpace labs, and an expansive North Terrace lawn. Our campus also has two dining options: Pilot Café and Common Grounds.

All Girls' Education

Our rigorous and interdisciplinary curriculum is designed specifically for girls. Faculty are able to focus solely on how girls learn and utilize teaching pedagogies that most benefit the young women of OLP.

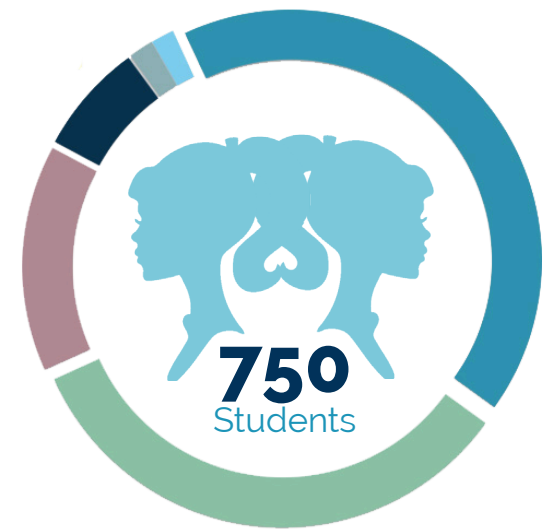

Spiritual Life & Service Learning

OLP operates from the CSJ tradition of "Faith in Action". The curriculum is rooted in balancing formation with information and is integrated across all disciplines under the guidance of the tradition of the Roman Catholic Church.

Through a Campus Ministry program rooted in student leadership, students are encouraged to engage their faith and lead others through a vibrant faith experience. Religious studies in the classroom is complemented with class level retreats for all grades. Liturgies are planned by students and led by visiting Priests from San Diego Diocese.
