SPONSORSHIP OPPORTUNITIES

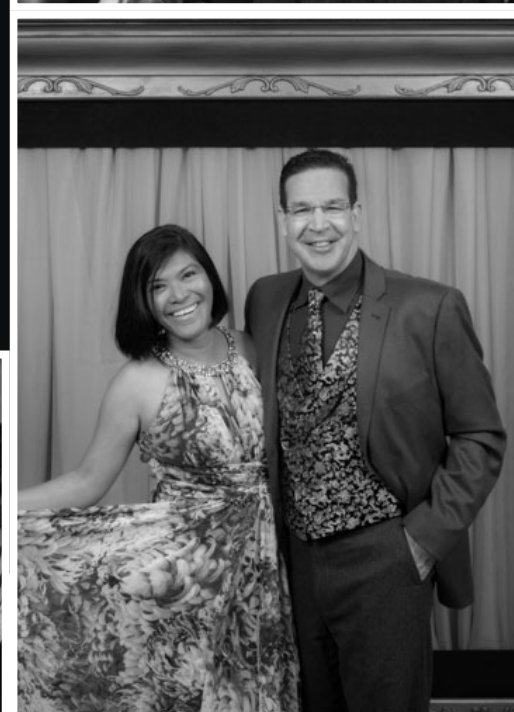

Soir en
NOIR et BLANC

- Partner with the Academy of Our Lady of Peace (OLP) for the 33rd annual Gala and Auction, Soir en Noir et Blanc, on Saturday, March 3, 2018. This year we celebrate our 135th anniversary of educating young women in the spirit of excellence and innovation embodied by our founding Sisters of St. Joseph of Carondelet. Generations of OLP graduates are women of heart, women of faith, women of courage and women of excellence. Let's join together to celebrate and honor our past, present and future and the many lives that have been shaped through their experience at OLP.

The OLP Gala brings together more than 300 generous patrons including alumnae, parents, board of directors and community supporters, all dedicated to providing the resources needed to provide an extraordinary educational experience for our students. The event features an elegant cocktail reception, gourmet dinner catered by The French Gourmet, one-of-a-kind live auction, entertainment featuring OLP student artists, and OLP's signature "Fund-A-Pilot" benefit. Donations may also be made online or by mail for those not able to attend.

The funds raised from the Gala directly impact our students and programs across all areas, including academics, athletics, co-curricular activities, technology, campus improvements and so much more! Sponsorship opportunities range from \$1,000 to \$15,000.

Join us as we celebrate the past, present and future at OLP!

BE IN *Good* COMPANY

Why OLP?

OLP has been educating the next generation of women leaders and innovators for more than 135 years; it is what we know how to do and we do it well! We are committed to supporting the passions of our students and challenging them to become all of which they are capable.

Founded and rooted in the Gospel values of the Catholic Church and the charism of the Sisters of St. Joseph of Carondelet, OLP empowers young women in an innovative learning environment that honors the individual while fostering community, and develops faith-filled leaders dedicated to the "love of God and the dear neighbor without distinction."

OLP STUDENT *Success*

OLP graduates are leading the way! We consistently see 100 percent of our graduates go on to higher education. The graduating class of 2017 received 897 acceptances to 236 unique institutions and garnered \$27.1 million in merit-based scholarships and grants.

Invest IN THE FUTURE

OLP is the epicenter for young women's education and empowerment and strives to graduate responsible women committed to serving the needs of the world around them.

As a woman of faith, woman of heart, woman of courage and woman of excellence, an OLP student is provided opportunities to put her faith into action and become a transformative agent of change in our world. An OLP student is encouraged to explore her passions within academic, athletic, co-curricular and spiritual activities, and develop a mindset ready to take risks and to strive for excellence after graduation and beyond.
